Be Happier with your reflection.

Dear Friend,

How do you want to see yourself in the New Year? We ask because Rosh Hashanah brings a unique opportunity to look in the mirror and see someone who provides much needed support to fellow Jews everywhere.

Start the New Year by becoming an equal partner in all the good work that Federations do here at home, in Israel and around the world.

- Supporting after school programs for mentally, physically and emotionally disadvantaged Jewish teenagers
- Providing for tens of thousands of ailing Holocaust survivors—one of four of whom live in poverty
- Helping millions of immigrants move to Israel and start new lives—25,000 in the past year alone
- Getting baby formula, diapers and groceries to struggling Jewish families in economically distressed South American communities

Think about how you want to see yourself in the New Year and consider making a first-time gift or increasing your support. All year long, you'll be able to reflect on the Jewish people you're nurturing. The Jewish communities you're building. The Jewish lives you're saving.

Thank you in advance for your generous gift, and for helping to make a difference for thousands of Jewish people and communities. May you and yours have a healthful, peaceful and prosperous New Year.
